

2020 EVENT SPONSORSHIP REQUEST FAQs

Thank you for your interest in event sponsorship! We do our best to support as many events and programs as we can each year. The information you provide via the application on our website will help us determine if your event meets our Event Sponsorship criteria and what level of support we will be able to provide.

Does Chamois Butt'r pay for sponsorship? We don't often pay for sponsorship, but more commonly provide product as a donation.

Besides Chamois Butt'r products, what other items are available? We can also provide you with branded items such as water bottles, banners, towels, t-shirts and other miscellaneous items. Please indicate on your request form if you have a raffle, auction, or door prizes at your event and we may provide some of these additional items at no charge!

Any restrictions? Please submit your application at least **90 days** in advance of the event date. All Event Sponsorship Requests will be considered even if the request form is submitted within 90 days of the event.

What if Chamois Butt'r has sponsored my event in the past? We would love to sponsor your event every year, but we can't promise we will always be able to. Please submit a request form every time your event occurs to be considered for sponsorship and we will do our best to continue our support.

If I submit my application on time does that mean I will automatically receive sponsorship? Sponsorships are not given automatically. Being on time and a good fit increases your chances, however we can't guarantee all requests will be fulfilled.

How do I know if I am approved? You will be notified by email if your request is approved. Depending on the level of sponsorship provided, there may be a cost associated with the sponsorship of .30 for each product packet or GoStik provided.

What else can I do to partner with Chamois Butt'r? If sponsorship is approved, we want to know how Chamois Butt'r has helped make your event a success! We ask that as part of our continued partnership, that you please e-mail us or tag us in any photos or videos that feature Chamois Butt'r from your event. @ChamoisButtr
#ChamoisButtr

*Special incentives will be offered to events that have permission to, and are willing to share participant email addresses. Email addresses must be submitted in excel format.
